What We Agree to Do

All-Access Plans:
We agree to give you all-access meal plan service during the serving days relevant to the meal plan you have chosen. If you are purchasing a meal plan in the summer semester, then it is only for that time frame. Iris camera enrollment is our default system to gain unlimited and unrestricted access into The Village Summit, Bolton Dining Commons, Oglethorpe Dining Commons, Snelling Dining Commons, and the Niche at Scott Hall whenever they are open for meal plan service. Because of remodeling, maintenance, and other things that can arise, we cannot promise that each of the five dining commons will be open all year. If you have not yet enrolled in the iris camera recognition system, you will be required to show two forms of ID to enter the dining commons, which includes your UGA ID and an official government issued ID. (Per UGA policy, you are also required to have your UGA ID on your possession while on campus. If you lose your UGA ID Card, you may obtain another one at Card Services at the Tate Student Center. We cannot give you a temporary card.)

If you choose the 7-Day Plan, you will have unlimited access seven days a week whenever the dining commons are open for meal plan service. If you choose the 5-Day Plan, you will have unlimited access Monday through Friday whenever the dining commons are open for meal plan service.

All-Access Plans with Paw Points:
We agree to give you all-access meal plan service plus flexible spending points to be used in any Dining Services location on campus, as well as vending services. Your Paw Points will be accessible via your UGA ID Card. If you have a Bulldog Bucks account, please be aware that Paw Points will be used first in all Dining Services locations.

Service Dates and Times:
Please visit our website at https://dining.uga.edu/ for detailed information.

Block-Access Plans:
We agree to give you your accesses to meal plan service during the serving days relevant to the meal plan you have chosen. If you are purchasing a meal plan in the summer semester, then it is only for that time frame. Iris camera enrollment is our default system to gain access into The Village Summit, Bolton Dining Commons, Oglethorpe Dining Commons, Snelling Dining Commons, and the Niche at Scott Hall whenever they are open for meal plan service. Because of remodeling, maintenance, and other things that can arise, we cannot promise that each of the five dining commons will be open all year. If you have not yet enrolled in the iris camera recognition system, you will be required to show two forms of ID to enter the dining commons, which includes your UGA ID and an official government issued ID. (Per UGA policy, you are also required to have your UGA ID on your possession while on campus. If you lose your UGA ID Card, you may obtain another one at Card Services at the Tate Student Center. We cannot give you a temporary card.)

You may use your block of accesses for entry into the dining commons for any meal that you choose. Blocks are valid during the semester they are purchased. Unused Blocks will be forfeited at the end of each semester. Blocks cannot be shared.

Paw Points:
Your Paw Points may be used at any UGA Dining Services location and campus vending machines.

What You Agree to Do

In signing and submitting the meal plan contract to UGA Dining Services, you agree to make payment on your student account according to billing instructions published by the University of Georgia Bursar’s office. The charge for the meal plan you select will be posted to your student account. You will receive notification of the meal plan charge posting to your student account via the e-mail address you have registered with the University of Georgia along with payment instructions from the Bursar.

You agree NOT to take food out of the dining commons unless you are a participant in the Bulldawg Box program. If you take food out of the dining commons, then we can take away your meal plan rights without giving you a refund.

You agree NOT to allow others to use your ID to access any UGA Dining Services location. If you allow unauthorized access or use, then we can take away your meal plan rights without giving you a refund. If interruption of enrollment occurs as a result of University disciplinary action, no refund credits will be made to your student account after 50% of the days served for the summer meal plans.
Your Meal Plan Bill of Rights

If you decide that you do not want to be on the meal plan, or if you do not enroll at the University of Georgia, and you let us know before the first serving day of the semester relevant to your purchase, then you have the right to leave the meal plan. The amount charged to your student account for the meal plan will be credited in full. You may cancel your contract after the first serving day. If you cancel prior to the first day of classes, you will be credited the meal plan contract price less a daily meal plan rate charge for each day you were on the plan. Cancellations after the first day classes have started will result in an 85% refund of the meal plan contract price less a daily meal plan rate charge for each day the meal plan offered service; or the cost of any blocks and/or PAW points used. No refunds will be issued after the final date to withdraw per the Bursar’s calendar.

If you decide to withdraw from the University you may cancel your meal plan contract. Refunds in the form of a credit to your student account will be made based on your official withdrawal date or your last day of dining, whichever is later. Your refund will be the cost of your plan less the number of days on the plan; or the cost of any blocks and/or PAW Points used. Notification prior to the start of service for the affected semester will result in a full refund. No refunds will be issued after the final date to withdraw per the Bursar’s calendar.

If a physician prescribes a special diet for you to address a health problem and Dining Services is unable to provide the special diet, then you have the right to leave the meal plan and charges for future meals to your student account will be credited in full. Our on-staff registered dietitian is ready to help with counseling to make the meal plan work for you. You cannot leave the meal plan because of a diet that you follow for other reasons, or because you have committed to eating somewhere else (like a sorority, fraternity or other social organization), so be sure the meal plan is right for you before you sign up.

Other Important Information

This agreement is for the terms relevant to the purchase choice that you have made. It is important to understand that if you are purchasing a meal plan in the fall semester, it is a full academic year contract or for the remainder of the academic year if entered after the beginning date of the fall semester. If you graduate fall semester and/or if you are not enrolled in spring semester classes held on the UGA Athens Campus (like the Studies Abroad Program), then you have the right to cancel the spring portion of your meal plan agreement. You will need to fill out a request to cancel online at https://dining.uga.edu/ and upon verification, the amount charged to your student account for the spring semester portion of your meal plan, will be credited in full.

Signing up for the meal plan is not the same thing as admission to the University. You cannot participate in the meal plan unless you have a valid UGA ID Card and iris camera enrollment.

This agreement is severable. That means that if any part of the agreement is invalid, the rest of the agreement is valid.

Any Paw Points remaining unused at the end of each semester will be made available for use for up to one year from the date of your last PAW Points activity or at the point your UGA Card is deactivated, whichever comes first.

Pandemic or other public health crisis, extraordinary weather or other natural disaster, acts of governmental authorities, or other events beyond the reasonable control of the University may require Dining Services to modify menu choices, service platforms, and service options, including but not limited to eliminating self-service, providing take-out meals only, and reducing or eliminating seating.

I acknowledge that UGA Auxiliary and Dining Services will send occasional informational (ex. changes in operating hours, meal plan reminders, inclement weather notices) and promotional emails (ex. special events). Each email provides a one-click method to unsubscribe from the distribution list.

Billing will be processed through your student account at the Bursar’s Office.

Please agree to the terms relevant to the purchase choice that you have made. If you are under the age of 18, you are not legally allowed to agree to the terms of the contract online. You must contact Dining Services via email at tjcash@uga.edu to obtain a paper contract for you and your legal guardian to sign.

By confirming, you, the student, agree to the terms relevant to your purchase choice and that you are age 18 or older.

If the student is under 18 years of age, this contract is also an agreement between the University and the student’s parent, guardian or other guarantor. The parent, guardian or guarantor must also execute this contract if the student is under 18 years of age. (Sign Below)
