What We Agree to Do

All-Access Plans:
We agree to give you your 16 or 32 accesses to meal plan service during the Summer of 2017, depending on the plan you have chosen above. Your encoded UGA Card is your key to access into the dining commons whenever they are open. Please refer to our website: dining.uga.edu for operating dates and times. (If you lose your UGA Card, you may obtain another one at the Tate Student Center. We cannot give you a temporary card.)

You may use your block of accesses for entry into the dining commons for any meal that you choose. Blocks cannot be shared.

Paw Points:
Your Paw Points may be used at any UGA Dining Services location and campus vending machines. When PAW point balances drop below $50, up to $100 additional PAW points may be purchased online.

Service Dates and Times:
Our first meal for the Summer Semester will be breakfast on Monday, May 8, 2017. The last meal will be lunch on Monday, July 31, 2017. Dining Services will not be open on Monday, May 29th in observation of the Memorial Day holiday. When choosing to use your Paw Points, please refer to our website: dining.uga.edu for precise operating dates and times of UGA Dining Services Retail locations.

What You Agree to Do

In signing and submitting the meal plan contract to UGA Dining Services, you agree to make payment on your student account according to billing instructions published by the University of Georgia Bursar’s Office. The charge for the meal plan you select will be posted to your student account. You will receive notification of the meal plan charge posting to your student account via e-mail address you have registered with the University of Georgia along with payment instructions from the Bursar. It is very important for you to understand that this agreement is for the Summer of 2017.

You agree NOT to take food out of the dining commons. This promise is very important, because without it we could not possibly offer such great dining at these terrific prices. If you take food out of the dining commons, then we can take away your Meal Plan rights without giving you a refund.

You agree NOT to allow others to use your ID to access any UGA Dining Services location. If you allow unauthorized access or use, then we can take away your Meal Plan rights without giving you a refund.

You agree to behave responsibly in all UGA Dining Services locations. If you behave irresponsibly in any location, then we can take away your Meal Plan rights without giving you a refund. If interruption of enrollment occurs as a result of University disciplinary action, no refund credits will be made to your student account after the 2nd week of service.

Your Meal Plan Bill of Rights

If you decide that you do not want to be on the Meal Plan, or if you do not enroll at the University of Georgia, and you let us know before the first serving day of the Summer Semester (May 8, 2017), then you have the right to leave the Meal Plan. The amount charged to your student account for the meal plan will be credited in full.

If you decide to withdraw from the University, you may cancel your meal plan contract. Refunds in the form of a credit to your student account will be made based on your official withdrawal date or your last day of dining, whichever is later. You may cancel your contract after the first serving day; however, the amount credited will be 85% of the meal plan contract less the average cash rate for each block used and PAW points used. No refund after 60% of serving days have passed.

If a physician prescribes a special diet for you to address a health problem and Dining Services is unable to provide the special diet, then you have the right to leave the Meal Plan, and charges for future meals to your student account will be credited in full. Our on-staff registered dietitian is ready to help with counseling to make the Meal Plan work for you. You cannot leave the Meal Plan because of a diet that you follow for other reasons, or because you have committed to eating somewhere else (i.e. a sorority, fraternity or other social organization), so be sure the Meal Plan is right for you before you sign up.
Other Important Information

This agreement is for the FULL 2017 Summer Semester beginning on May 8, 2017 and ending on July 31, 2017.

Signing up for the Meal Plan is not the same thing as admission to the University. You cannot participate in the Meal Plan unless you have a valid UGA Card.

This agreement is severable. That means that if any part of the agreement is invalid, the rest of the agreement is valid.

Any unused blocks (accesses) left at the end of the Summer semester will be forfeited.

Any Paw Points remaining unused at the end of the Summer semester will remain available for your use. At the end of one year of non-use, the balance of the unused Paw Points will be forfeited or at the point your UGA Card is deactivated, whichever comes first.

You will be added to our email list for information and specials from UGA Dining Services. You may opt out of marketing emails at any time, but will continue to receive important alerts for things such as: inclement weather, change of service, and contract updates.

Sign-up online at dining.uga.edu or return this agreement without payment to: UGA Dining Services, Snelling Dining Commons, University of Georgia, Athens, Georgia 30602. Send no money; billing will be processed through your student account at the Bursar's Office.

If the student is under 18 years of age, this contract is also an agreement between the University and the student's parent, guardian or other guarantor. The parent, guardian or guarantor must also execute this contract if the student is under 18 years of age.  (Sign Below)
