## **By signing below, Dining Services agrees to the following:**

### **ALL-ACCESS PLANS:**

We agree to grant you access to meal plan service during the serving days relevant to the meal plan you have chosen. If you choose the 7- Day Plan, you will have unlimited access seven days a week whenever the dining commons are open for meal plan service. If you choose the 5 -Day Plan, you will have unlimited access Monday through Friday whenever the dining commons are open for meal plan service.

### **ALL-ACCESS PLANS WITH PAW POINTS:**

We agree to provide access to meal plan service during the serving days relevant to the meal plan you have chosen. Additionally, you will have Paw Points, which can be used in any Dining Services location on campus, including vending machines. Your Paw Points will be accessible via your UGA ID Card. A 10% bonus amount of Paw Points will be applied to unlimited meal plans at the time of purchase.

### **BLOCK-ACCESS PLANS:**

We agree to provide access to meal plan service during the serving days relevant to the meal plan you have chosen. You may use your blocks for entry into the dining commons for any meal that you choose. Blocks are valid during the semester they are purchased. Unused Blocks will be forfeited at the end of each semester. Blocks cannot be shared and do not roll over to any subsequent semesters. If you are purchasing a meal plan in the summer semester, then it is valid only for that time frame.

### **PAW POINTS:**

Your Paw Points may be used at any location affiliated with UGA Dining Services. This includes all campus convenience stores, restaurant concepts, and vending machines.

### **SERVICE DATES AND TIMES:**

Please visit our website at <https://dining.uga.edu/> for detailed information.

### **ACCESS TO THE MEAL PLAN**

Morphowave hand scanning enrollment is our default system to gain access into The Village Summit, Bolton Dining Commons, Oglethorpe Dining Commons, Snelling Dining Commons, and the Niche at Scott Hall whenever they are open for meal plan service.

If you have not yet enrolled in the Morphowave system, you will be required to show two forms of ID to enter the dining commons, which includes your UGA ID and an official government issued ID. If you lose your UGA ID Card, you may obtain a replacement at the UGA OneCard Office in the Tate Student Center. Dining Services is unable to provide you with a temporary card.

Because of remodeling, maintenance, and other things that can arise, we cannot promise that each of the five dining commons will be open throughout a given year.

## By signing below, you agree to:

You agree to make payment on your student account according to billing instructions published by the University of Georgia Bursar's office. The charge for the meal plan you select will be posted to your student account each semester. You will receive notification of the meal plan charge posting to your student account via the e-mail address you have registered with the University of Georgia along with payment instructions from the Bursar.

You agree **NOT to take food out of the dining commons** unless you are a participant in the Bulldog Box program. If you take food out of the dining commons in an unauthorized manner, we reserve the right to cancel your meal plan rights without a refund.

You agree to **NOT share your meal plan with others or to allow others to use your ID to access any UGA Dining Services location**. If you allow unauthorized access or use, then we reserve the right to cancel your meal plan rights without giving you a refund.

You agree to behave responsibly in all UGA Dining Services' locations. If you behave irresponsibly in any location, then we reserve the right to cancel your meal plan rights without giving you a refund.

If interruption of enrollment occurs as a result of University disciplinary action, no refund credits will be made to your student account after the 4th week of service each semester for Academic Year (Fall and Spring) meal plans, or 50% of the days served for the summer meal plans.

## YOUR MEAL PLAN BILL OF RIGHTS

If you choose not to participate in a meal plan, and you notify Dining Services prior to the first serving day of the semester relevant to your purchase, you have the right to cancel your participation.

The amount charged to your student account for the meal plan will be credited in full.

Cancellation requests after the first day of service in a given semester:

- If you cancel prior to the first day of classes and have the unlimited meal plan, you will be credited the meal plan contract price less a daily meal plan rate charge for each day you were on the plan.
- Cancellation requests made after the final Drop/Add date of the academic calendar in a given semester (<https://reg.uga.edu/general-information/calendars/academic-calendars/>) will result in an 85% refund of the meal plan contract price less a daily meal plan rate charge for each day the meal plan offered service, as well as the cost of any blocks and/or PAW points used.
- No refunds will be issued after the final date to withdraw per the Bursar's calendar.
- Changing from one meal plan to another is permissible as long as you are choosing a new plan for which you qualify.
- All changes must be completed on or before the Drop/Add Date for a given semester. No changes will be allowed after the Drop/Add date.

Should you decide to withdraw from the University, you may cancel your meal plan contract. Refunds in the form of a credit to your student account will be made based on your official withdrawal date or your last day of dining, whichever is later. Your refund will be the cost of your plan less the number of days on the plan, as well as the cost of any blocks and/or Paw Points used.

If a physician prescribes a special diet for you to address a health problem and Dining Services is unable to provide the special diet, then you have the right to leave the meal plan and charges for future meals to your student account will be credited in full. This also applies to changes in diet based on your religious beliefs that cannot be reasonably accommodated by UGA.

Our on-staff registered dietitian is ready to help with counseling to make the meal plan work for you. You cannot leave the meal plan because of a diet that you follow for reasons other than those addressed above, or because you have committed to eating somewhere else (such as a sorority, fraternity or other social organization), **so be sure the meal plan is right for you before you sign up.**

## **OTHER IMPORTANT INFORMATION**

**This agreement is for the terms relevant to the purchase choice that you have made. It is important to understand that if you are purchasing a meal plan in the fall semester, it is a full academic year contract or for the remainder of the academic year if entered after the beginning date of the Fall semester. If you graduate Fall semester and/or if you are not enrolled in Spring semester classes held on the UGA Athens Campus (like the Study Away Program), then you have the right to cancel the Spring portion of your meal plan agreement in full. You will need to fill out a request to cancel online at <https://dining.uga.edu/> and upon verification, the amount charged to your student account for the Spring semester portion of your meal plan will be credited in full.**

You are eligible to participate in the **Bulldog Box** program, which provides a one meal per day to-go option at our Dining Commons.

Information pertaining to the **Bulldog Box** program is available on our website at <https://dining.uga.edu/meal-plans/bulldog-box>

Signing up for the meal plan is not the same thing as admission to the University.

If you have purchased a Summer semester meal plan, you will complete a separate Summer meal plan contract and your plan is valid only for that session.

This agreement is severable. That means that if any part of the agreement is invalid, the rest of the agreement remains valid.

Any Paw Points remaining unused at the end of each semester will be made available for use for up to one year from the date of your last Paw Points activity.

Pandemic or other public health crisis, extraordinary weather or other natural disaster, acts of governmental authorities, or other events beyond the reasonable control of the University may require Dining Services to make necessary changes. These modifications may involve changes in menu choices, service platforms, and service options. These changes could include, but are not limited to: eliminating self-service options, providing take-out meals only, and reducing or eliminating seating within Dining Commons. In the event that take-out options (other than the Bulldog Box program) are implemented, limitations on the number of items you are permitted to take out may be enacted. Sharing meal plans with others is considered unauthorized use and is not permitted under any circumstances.

I acknowledge that UGA Auxiliary and Dining Services will send occasional informational (ex. changes in operating hours, meal plan reminders, inclement weather notices) and promotional emails (ex. special events). Each email provides a one-click method to unsubscribe from the distribution list. Those choosing to unsubscribe from the email list agree they will not hold UGA Dining Services responsible for information they do not receive related to meal plan changes or updates.

Billing will be processed through your student account at the Bursar's Office.
